

SPIRITUAL

Feeding Body, Mind and Soul

Experiencing
fascination, awe
and wonder.

Exploring the
values and
beliefs of
others.

Understanding
human feelings
and emotions.

Using
imagination
and creativity
in learning.

Our Year 2 trip to Marwell Zoo was an exciting experience and a day filled with fun, friendship and learning. Learning about plants and animals provides the opportunity to look at God's creation and to reflect on our lives within the wider world.

'On the sixth day He made all the animals, from the wild beasts of the desert and jungle to the cattle grazing in the fields.' Genesis 1:25

Then God said, "Let the earth grow grass, plants that make grain, and fruit trees. The fruit trees will make fruit with seeds in it. And each plant will make its own kind of seed. Let these plants grow on the earth." Genesis 1:11-31

We are able to explore our ideas, be creative and work in an environment that helps us to work with others harmoniously. We know our ideas will be respected, we can develop our self-confidence, make links in our learning and be nurtured and valued for who we are.

'...and the child grew and became strong; he was filled with wisdom and the grace of God was on him.'
Luke 2:20

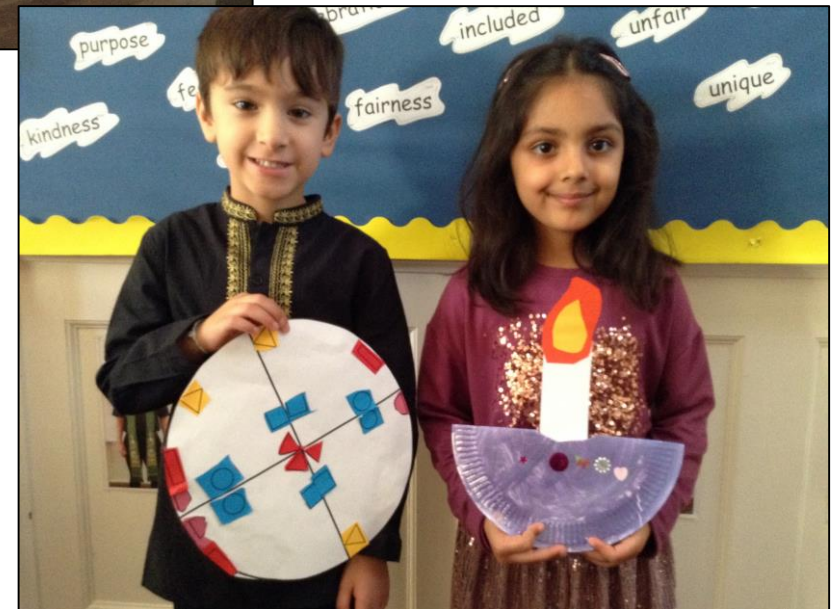

We explore the different beliefs and interests that we are fortunate to have in our classes. We are becoming aware of our similarities and differences and enjoy the opportunity to explore our own beliefs and reflect on how these affect and impact on our daily lives.

Our Year 2 pupils learn about Islam and the festival of Eid.

"I can see we are ready on the outside; let's get ready on the inside."
Words from Godly prayer in preparation for Collective Worship.

In Year 1, the pupils spend a week learning about the Sikh and Hindu festival of Diwali and hold a celebration assembly to show their families all that they have been learning.

Diwali

We spend time investigating in our wildlife garden, looking for God's creatures and using natural materials in our creative play.

Watching our chicks hatch and then holding them was a very special and awe inspiring moment.

We saw the power of the wind when we let go of our leaves.
