

In Nursery during September we will be focusing on settling the new children and helping everyone to feel happy and safe.

Some of the activities we will be doing at nursery are...

- Learning the names of the staff who work in Apple and Pear classes
- Learning the names of our new friends
- Saying goodbye to Mummy and Daddy at the door
- Coming into Nursery with a smile
- Finding out where to put our coats, bags and water bottles
- Going to the toilet and washing our hands independently
- Discovering what toys there are to play with and remembering where they go at the end of the session

- Taking turns with toys and learning to share
- Learning to sit on the carpet and listen to a story
- Learning some simple nursery rhymes at singing time
- Talking about our families and pets
- Sharing information about our favourite toys

If you would like to do something at home, perhaps you could encourage them to bring a family photo or favourite toy to share and talk about with others.
