

KIDSTIME TERMS AND CONDITIONS

1. Introduction

KidsTime Breakfast and After School Clubs are provided by Boyne Hill CE Infant and Nursery School to support working parents of children attending our nursery or school by offering a safe and welcoming environment with activities and games, social interaction and nutritious snacks.

The Clubs operate in the school dining room, early years foundation stage classrooms and the main school playground.

2. Eligibility and Requirements

- All children must be registered before attending either Club. Registration forms are available from the school office and on the school website.
- We would very much prefer it if your child is fully toilet trained before attending.
- The school reserves the right to refuse admission to any child whose behaviour causes upset to other attendees or disrupts the effective running of the Clubs and does not meet expectations, in line with the school's behaviour policy which is available on the school website.
- Children who have 1:1 support in school and would require 1:1 support to attend either Club, will only be able to attend if funding for the support has been agreed as part of their Education, Health & Care Plan (EHCP).
- Children must be brought to either Club and collected from After School Club by a responsible adult aged 16 years or over.
- Parents must promptly notify the KidsTime supervisor of any changes to their contact details. This should be done by emailing kidstime@boynehillschool.org
