

newsletter

Dear Parents and Carers,

This is the last Newsletter of this academic year so there are lots of things to share. Since our last Newsletter, we have experienced some extreme temperatures and I appreciate all of your support with your child's clothing, sunscreen application and understanding the early pick-up options. I know some of you chose to keep your child off school as you felt they would be safer at home and obviously I understand that. I chose to remain open and we were so touched by the kindness shown by many families from kind words of thanks to iced-lattes and cans of fruity drinks being delivered to the loan of an air-conditioning unit.

Miss Haines bought ice-pops for all of the children in school which they thoroughly enjoyed.

At the beginning of that really hot week, the parents of one of our Reception pupils purchased and delivered 6 standard fans for the classrooms too 🙏

The Year 2s found fun ways to cool off.

On Monday this week we were treated to a performance by the members of Niki's Wednesday lunchtime Dance Club. They all did exceptionally well and kept us entertained with their fantastic dance moves.

On Tuesday we welcomed Basil & Crew as a special treat for our nursery children. They were able to see, stroke and hold a range of animals.

Our Oak and Maple children went to Odds Farm and had a super time seeing all sorts of wonderful animals and they even had a tractor ride around the farm. A big thank you to the parents who came along to help 😊

It was a hot day but the children were all really well behaved and their teachers were very proud of them.

On Wednesday this week the Year 1 and 2 boys and girls held their Sports Day which was very well attended and enjoyed by all. We were so proud of the children who showed determination, resilience and fantastic team spirit. Thank you to everyone who came to watch and for taking part in the adult races which are always hugely popular. The competition amongst the grown-ups was fierce and great fun to watch 😊

R. J. Davies

SPECIAL REMINDER

- If your child is an iRock Band member, join us at 9:15am on Tuesday 14th July for a special performance.
- FS2 Graduation at 9:15am on Wednesday 15th July in the school hall.
- YR2 Leavers' Assembly @ 9:15am on Wednesday 22nd July in the school hall.

IN THE SPOTLIGHT

Bella in Willow class and Dylan in Oak class have been working very hard at their kickboxing for the past year and have now achieved their green belts, having passed their latest gradings. They are, quite rightly, very proud of themselves!

If you saw Mrs Franks and I walking strangely on Monday, it was because we had spent the weekend walking 100km of the Derbyshire Peak District. We have been taking on these challenges since 2019 and thoroughly enjoy them.

SCHOOL REPORTS & QUESTIONNAIRES

This afternoon, your child will have brought home their annual report where their teacher has shared information about progress this academic year. Please enjoy reading it yourself and to your child, celebrating all of the positives. The accompanying letter explains about our Parent Questionnaire and there is a QR code for you to scan to access and complete it. All responses are very much appreciated, thank you 😊

DIARY DATES – SUMMER 2026

TERM 6 - July

- 14th @9:15am iRock Band members showcase assembly – parents invited

AGENCY

Summer Reading Challenge

Dear Parents |

We're delighted to let you know that the Summer Reading Challenge is back at all Windsor and Maidenhead Libraries from Saturday 11 July, and we can't wait to welcome you this summer.

It's free to join and it's the perfect way to keep your children motivated to read over the long summer break. It's open to all children between the ages of 4-11, and don't worry if your younger ones aren't yet fluent readers, sharing a book with them counts.

We aim to make the challenge fun and children can choose to read whatever kind of books they like, may it be fiction, non-fiction, comics, audiobooks, picture books, poetry.

This year's theme is **Read To The Beat**, and it launches on Saturday 11th July.

Come to any of our branches to register and collect your welcome pack. To complete the Challenge your children will need to read six library books and they'll be rewarded with stickers and prizes along the way. They'll be awarded a medal and certificate on completion of the Challenge.

We also have a summer full of activities which you can find out about from our Library events page on our website. The challenge ends on 12th September.

As 2026 is also the National Year of Reading, we're especially excited to invite the schools in the borough to take part in a brand-new addition to the Summer Reading Challenge the 'RBWM Schools Reading Championship'. All primary schools will automatically be entered into the RBWM Schools Reading Championship and all you need to do to be in with a chance of winning is to encourage your pupils to sign up and read as many books as possible. The winning school will hold the trophy for the academic year before returning it to the library.

Together, we can help every child discover that reading is fun, empowering, and full of adventure. Thank you in advance for helping us make this summer one to remember!
