

Autumn Term - Speaking and Listening homework – Year 2

'Show and Tell'

Guidelines

This term we would like each child to bring in a favourite object and explain to the listening group what it is, where it came from, why it is special etc. Through this activity the children will be developing their confidence in speaking clearly in front of an audience. Most of the children will have prepared something similar during year one but we will be looking for development in their choice of object and skills of communication.

Practise hints

- ❖ Introduce your object
- ❖ Talk about it in a logical order
- ❖ Speak audibly and clearly
- ❖ Add sufficient detail to maintain interest
- ❖ Conclude the presentation
